Education

August 2023 - May 2026

University of Virginia's College at Wise (UVA Wise) – *Bachelor of Science – Software Engineering and Computer Science (Double-major)*

3.95 GPA | Summa Cum Laude

Skills

- Programming languages: C#, C++, Python, JavaScript, SQL, Java
- Tools: Git, GitHub, Docker, Visual Studio, VS Code
- Frameworks/Libraries: .NET, React Native, Node.js, Django, WinForms
- Databases: PostgreSQL, MySQL
- Concepts: Object-oriented programming (OOP), Data Structures & Algorithms, Relational Database Design

Projects and Experience

August 2025 - May 2026

Full-Stack Software Engineer / Team Lead – *Fitness Application*

- Led a 5-person team in developing a cross-platform fitness application for iOS and Android using React Native, Node.js, PostgreSQL, Docker, and Git.
- Built REST APIs and PostgreSQL schema for user accounts, goals, leaderboards, and health-data tracking.
- Integrated third-party health APIs to retrieve and normalize health metrics across platforms.
- Designed and implemented application features collaboratively using Git/GitHub and an iterative development workflow.
- Developed functional, integration, compatibility, and exploratory test plans to validate application reliability and data accuracy.
- Coordinated code reviews, quality assurance audits, and weekly stand-ups.

June 2026 - August 2026

Neural Network From Scratch – *Personal Project*

- Developed a neural network from scratch in C# to classify handwritten letters using the EMNIST dataset, achieving 84% validation accuracy.
- Implemented forward propagation, backpropagation, mini-batch gradient descent, ReLU/Softmax activation functions, and cross-entropy loss without relying on machine-learning frameworks or libraries.
- Implemented model persistence, dataset loading, a custom GUI, and configurable training parameters.

August 2025 - May 2026

Tutor – *Academic Success Center (UVA Wise)*

- Provided one-on-one instruction in C++, Python, and linear algebra, diagnosing programming errors and adapting explanations to students with varying technical backgrounds.

Awards and Accomplishments

- UVA Wise: 3.95 GPA | Summa Cum Laude | Dean's List (2023–2026)
- Twin Valley High School: Valedictorian of 2023 graduating class
